

TERMS AND CONDITIONS

JAN X-Ray Services, Inc.

DEFINITIONS

"Subcontractor" means JAN X-Ray Services, Inc. "Company" means any company, firm or individual from whom Subcontractor received an order which Subcontractor has accepted. "Work" means the performance of any services which are to be provided by Subcontractor under these Terms and Conditions (the "Terms").

APPLICABILITY OF CONDITIONS

Subcontractor accepts orders for the Work subject only to these Terms. Company accepts that the Terms shall govern relations between himself and Subcontractor to the exclusion of any other terms including without limitation, conditions and warranties (written or oral, expressed or implied) even if contained in any of Company's documents which purport to provide that Company's own terms shall prevail. No variation or qualification of these Terms or of any quotation or order arising therefrom shall be valid unless agreed in a writing signed by Subcontractor. SUBCONTRACTOR HEREBY ADVISES COMPANY THAT ITS PERFORMANCE OF THE WORK IS EXPRESSLY CONDITIONED ON COMPANY'S ASSENT TO THE TERMS DETAILED HEREIN.

QUOTATION

Any price quote made by Subcontractor will remain open for a period of sixty (60) days from the date of issuance, unless extended in writing.

PAYMENT

Unless fixed prices have been specifically agreed by Subcontractor, notwithstanding any offer, quotation, tender price or price list all prices are subject to alteration without notice and Work will be invoiced at Subcontractor's prevailing prices for the area where the Work will be performed. All present and future taxes imposed by any federal, state or local authority of any country which Subcontractor may be required to pay or collect, upon or with reference to the Work (except net income and equity franchise taxes) shall be for the account of Company.

Subcontractor will submit progress invoices to Company monthly and a final invoice upon completion of Work. Payment is due thirty (30) days from receipt of the invoice unless otherwise agreed to in writing. Past due amounts are subject to a late fee of one and one-half percent

per month (18% per annum) or the highest amount allowed by applicable law on the outstanding balance, whichever is less. Attorney's fees and other costs incurred in collecting past due amounts shall be paid by Company.

Subcontractor shall maintain a complete and correct set of records pertaining to all aspects of the Work. Company shall have the right, at Company's sole expense, to inspect and audit any and all such records within a period of two (2) years after the termination of the Work; provided, however, that Subcontractor has the right to exclude any trade secrets, formulae or confidential information from such inspection and audit.

LIENS

Company shall have the right to withhold final payment until Subcontractor has furnished proof that all claims against Subcontractor by Subcontractor's suppliers, contractors and subcontractors for labor, material, equipment, or goods of any kind furnished in connection with the Work have been fully paid and satisfied and proof that all liens of Subcontractor's suppliers, contractors and subcontractors arising out of services performed or goods, equipment or facilities furnished in connection with the Work have been fully released.

WARRANTY

CONTRACTOR WARRANTS THAT THE WORK FURNISHED HEREUNDER WILL BE FURNISHED IN ACCORDANCE WITH THE SPECIFICATIONS SET FORTH OR INCORPORATED BY EXPRESS REFERENCE ON THE FACE OF ANY OFFER, ACCEPTANCE OR ORDER ACKNOWLEDGEMENT ISSUED BY CONTRACTOR THAT INCORPORATES THESE TERMS BY REFERENCE. HOWEVER, NO WARRANTY OF FITNESS FOR ANY PARTICULAR PURPOSE OR ANY OTHER REPRESENTATION OR WARRANTY, WHETHER EXPRESS OR IMPLIED, IS MADE RESPECTING SAID WORK.

As Company's sole remedy hereunder, if within twelve months of delivery of any inspection report the Company notifies Subcontractor of any deficiency caused by the negligence of Subcontractor then Subcontractor shall at its own expense re-analyze the inspection data in that part of the inspection report containing the alleged deficiency in order to provide such information as is necessary to remedy any deficiency and provide the Company with a revised inspection report. Company understands that the inspection report and all other analyses, charts or reports delivered or recommendations or advice given by Subcontractor, its employees or agents in connection with the Work will not be received as a warranty of the quality, capacity or fitness for use of the object of the inspection.

LIMITATION OF LIABILITY

Subcontractor's aggregate liability responsibility to Company is limited to one and one-half times the compensation paid to Subcontractor for the Work (the "LIMITATION OF LIABILITY"). This LIMITATION OF LIABILITY applies to all lawsuits, claims or actions, whether identified as arising in tort, INCLUDING NEGLIGENCE (WHETHER SOLE OR CONCURRENT), PROFESSIONAL ERROR OR OMISSIONS, BREACH OF WARRANTY (EXPRESS OR IMPLIED), NEGLIGENT MISREPRESENTATION, AND STRICT LIABILITY, contract, or other legal theory, including without limitation, Subcontractor's indemnity obligations to Company related to the Work provided in this Agreement and any continuation or extension of our Work. By entering into this Agreement, Company acknowledges that this LIMITATION OF LIABILITY provision has been reviewed, understood and is a material part of this Agreement, and that Company has had an opportunity to seek legal advice regarding this provision.

COMPANY OBLIGATIONS

Company warrants that all information provided to Subcontractor regarding the Work and Work location are complete and accurate to the best of Company's knowledge. Company agrees to furnish Subcontractor, its agents, employees, and subcontractors a right-of-entry and any authorizations needed for Subcontractor to enter onto the Work site to perform the Work included in this Agreement; Company agrees to disclose the identity of all utilities serving the Work Site and the presence and accurate location of hidden or obscured man-made objects known to Company that may be in Subcontractor's work area. Company shall, before commencement of any work, and without cost to Subcontractor remove or make safe any conditions at the job site or on the workplace which present a safety hazard, including, but not limited to, electric wires, flames, smoke, flammable liquids or gases, fumes, steam, poisons, asbestos, hazardous or toxic chemicals, and hazards from other contractors working above, below, or adjacent to the Subcontractor Work area. Company shall supply adequate scaffolding, lighting, and handling facilities at each Work area. If Company fails to perform any of the foregoing, it shall indemnify, defend, and hold Subcontractor harmless for any damages of any type whatsoever which result.

TIME

Any periods of time quoted or accepted by Subcontractor for completion of the Work are to be treated as estimates only. Time is not of the essence.

INSPECTION REPORTS

Company shall not require that Subcontractor execute any inspection report with regard to Work performed, tested or observed under this Agreement unless: 1) Subcontractor believes that it has performed sufficient work to provide a sufficient basis to issue the inspection report; 2) Subcontractor believes that the work performed, tested or observed meets the criteria of the inspection report; and 3) Subcontractor has reviewed and approved in writing the exact form of such inspection report prior to execution of this Agreement. Any inspection report by Subcontractor is limited to an expression of professional opinion based upon the Work performed by the Subcontractor, and does not constitute a warranty or guarantee, either expressed or implied.

TERMINATION

For Convenience-Upon written notice, Company or Subcontractor may terminate the performance of any further Work included in this Agreement. Upon receipt of a termination notice, Subcontractor shall stop all Work included in this Agreement and Company shall pay Subcontractor within thirty (30) days for all Work performed up to the receipt of the termination notice.

For Cause-In the event of material breach of this Agreement, the party not breaching the Agreement may terminate it upon five (5) business days written notice delivered or mailed to the other party, which notice must identify the material breach. The Agreement may not be terminated for cause if

Confidential information shall not include information that (i) has become part of the public domain through no fault of Subcontractor; (ii) is possessed by Subcontractor, before receipt thereof from Company; (iii) is acquired independently and without any confidentiality obligation by Subcontractor from a third party that has the right to disseminate such information; (iv) is developed by Subcontractor independently; (v) is required to be disclosed by Subcontractor due to applicable laws and regulations, government order or court order.

No amendment or modification to these Terms or any waiver of any provisions hereof shall be effective unless in writing, signed by both Parties. If any part of these Terms is found to be unenforceable, then the parties' intent is to have such part rewritten to attain as close as possible the original intent of the unenforceable provisions.
